**Academic Achievement Award (AAA)
Application**

Attached is an Academic Achievement Award (AAA) Application for **full time** newly initiated members. Any newly initiated member who attained a 3.0 GPA on a 4.0 scale during his **first** pledging semester/quarter may apply.

Individual Requirements:

- Applicant must be a full time initiated member of your chapter/colony.
- Applicant must have earned and can verify a 3.0 GPA on a 4.0 GPA scale during the first semester in which he pledged. (see grade verification below)
- Applicant must complete and send to the Foundation the Academic Achievement Award (AAA) Application, grade verification and questionnaire **before the deadline of 6 months after initiation.** (see application)

Chapter Requirements:

- Chapter must have properly pledged and initiated the applicant.
- Chapter must have turned in all pledge and initiation forms and fees to the International Fraternity.
- Chapter President must verify membership by signing the application.

Grade Verification:

- The Foundation will accept a grade transcript or report from the school for the individual applicant which contains the applicant's grade point average of the semester/quarter in which he pledged. **Grade report MUST include the applicant's name printed by the university or college.**
- and/or the Foundation will accept an original signed report from a school official which lists each newly initiated member's grade point average by Fraternity. This report must include the applicant's name, Fraternity name and grade point average for the reporting term. This report may be available from your Greek Advisor, IFC or Dean of Students.

Applicants with individual grade transcripts must mail application and transcript together to the Foundation. Applicants verifying their GPA with a Chapter Grade Report must mail their application along with all other chapter applicants and the grade report in one packet to the Foundation. A chapter officer should help coordinate this mailing, as the grade report may be confidential.

Applicants should apply after they have been properly initiated and can verify their grades in writing.

The Foundation will award scholarships of \$250 paid directly to the student and is to be used for academic purposes like tuition, tuition related charges, books and school fees. Allow 2-4 weeks for processing of information. If you need more applications, you may copy the attached or contact the Foundation office at (859) 255-1848 or e-mail: vmiller@phigam.org

Any member that accepts the Academic Achievement Award also agrees to accept emails and electronic communication from the Fraternity and Foundation while they are an undergraduate.
