

PHI GAMMA DELTA

BUILDING COURAGEOUS LEADERS

The Undergraduate Interfraternity Institute (UIFI), hosted by the North-American Interfraternity Conference (NIC), is a five day institute that brings together fraternity men and sorority women from across North America to create opportunities to explore, define, and enhance their leadership skills, personal awareness, commitment to their fraternity or sorority, and grow to expect values based action from themselves and those they lead. At UIFI, you will be given the skills to improve your own leadership abilities and positively affect your chapter, council, and community.

Participating in UIFI means that you are willing to talk about how fraternity and sorority leaders live their Ritual. It means having the courage, character, and commitment to do what is right and devise a plan to change the current direction of some fraternities and sororities. It means having a vision of positive change.

The institute is interactive, fun, challenging, and intentional. During a session, you'll experience hands-on interaction, experiential activities, discussion time, and personal reflection time. There is considerable focus on the positive aspects of fraternities and sororities in addition to important discussions about issues that threaten our future.

Each UIFI participant will develop their own unique personal plan of action and be challenged to make a commitment to leading positive change within their organization. Creating positive change is a challenge, one that each participant must be willing to undertake.

Phi Gamma Delta is committed to providing up to 25 scholarships for brothers to attend UIFI. Enclosed you will find the application for the scholarship. The scholarship covers the cost of registration, lodging and meals for the institute. The Chapter and/or Individual is responsible to cover the cost of travel. Applications are due on Monday, April 1, 2020 to Ileif@phigam.org. If selected, the Fraternity will register you for the event.

If you have any question, contact Lauren Leif, Director of Education, at Ileif@phigam.org or (859) 255-1848.
