

BROTHERHOOD

1. **Virtual workouts:** Have a brother lead a fitness workout via Zoom. This would be similar to a Peloton class but led by a brother. Or do one of these **daily online workouts**, provided by OrangeTheory.
2. **Video game tournament:** Organize regular times to play a video game together online or host a tournament.
3. **Anytime gaming:** Connect, compete and play video games live with your brothers across the country on the official **Phi Gam discord!** Text and chat in a space designed for Phi Gam gamers on your desktop or phone.
4. **Play a game together!** Look into the Jackbox Games and a screen share via Zoom.
5. **(Virtually) Tour a National Park together.**
6. **Movie Night:** Watch a movie or show, and comment on it together using the **Netflix Party Chrome extension.**
7. **Checking in:** Split the chapter into smaller groups and assign a cabinet member to each group and have them host virtual brotherhood meet-ups based on what people are most interested in doing.
8. **Building relationships:** Pair each member of the chapter together with someone they do not have a great opportunity to connect with throughout the year. Encourage them to connect at least once within the week either via phone or a video call. Check out this **randomizer** to make your life a little easier when randomizing pairings or small groups. Rotate groups around every few weeks or so. This would be especially great for newer brothers the chapter may not know as well yet.
9. **Hanging out:** Set a weekly time for an hour where brothers can just come in, hangout and catch-up via Zoom. It doesn't have to be structured. Sometimes just shooting the stuff is what you need.
10. **Share a meal together:** Cook the same dish together over video or gather for dinner time with whatever you are eating in a video chat.
